Scavenger Hunt

Scorecard & Pencil

Get ready to have fun learning about nature, history and science with the Webb Mountain Discovery Zone Scavenger Hunt.

Learn how people and animals have used the land past and present.

Pick up a green scorecard and pencil near the trail head. Look for the  on signs throughout the park and follow the directions on each sign.

Keep score and see how many things *you* can discover!

Created by Hank Gruner, Biologist and VP Programs and Exhibits for the new Science Center of Hartford, with assistance from Nicholas Bellantoni, State Archeologist.
